Title: the text "كل المباريات" is partially hidden by the mobile notch

Description:

When tapping on the "كل المباريات" button in the Yallakora app, a dropdown menu appears to select an item. However, the text "كل المباريات" is partially hidden by the mobile notch, making it difficult to read.

Precondition :

The user must have the Yallakora app installed and be logged in with an active internet connection.

Steps to Reproduce:

- 1. Open the Yallakora app on iPhone 14 Pro Max.
- 2. Ensure you are logged in with an active internet connection.
- 3. Locate the "كل المباريات" button on the screen.
- 4. Tap the button to display the dropdown menu.
- 5. Observe that the dropdown text is obscured by the notch.

Reported By	Hasnaa
Assignee	Mahmoud
Date	November 9, 2024
Priority	Medium
Severity	Medium

Expected Result:

- The "كل المباريات" text should be fully visible and not obscured by the notch, allowing users to easily read and interact with it.

Actual Result:

- The text "كل المباريات" is not fully visible due to overlap with the device's notch.

Title: Selected Team Gets Deleted Instead of Entering Edit Mode in "فرقك" Section

Description:

In the "فرقك" section of the Yallakora app, when a user navigates to edit their selected teams, tapping on a team for editing deletes the team instead of opening the edit interface. This behavior deviates from the expected action of editing, which could lead to accidental data loss.

Precondition :

The user must have the Yallakora app installed and be logged in with an active internet connection.

Steps to Reproduce:

- 1. Open the Yallakora app.
- 2. Navigate to the "فرقك" section.
- 3. Tap on "اضف فريقك" to select teams.
- 4. Add the desired teams to "فرقك".
- 5. Tap on the edit icon to enter edit mode.
- 6. Tap on a team that you want to edit.

Reported By	Hasnaa
Assignee	Mahmoud
Date	November 9, 2024
Priority	High
Severity	High

Expected Result:

- The selected team should open an interface for editing team details.

Actual Result:

- The selected team is deleted immediately without confirmation or the option to edit.

Title: Some player Images Not Loaded in "اللاعبين" Section for Team "الأهلي" in "فرقك" Section

Description:

In the "فرقك" section, after selecting the team "الأهلي" and scrolling to the left in the header menu then navigating to the "اللاعبين" section , some player images fail to load. This results in missing visual information, making it difficult for users to recognize and interact with players.

Precondition :

The user must have the Yallakora app installed and be logged in with an active internet connection and ensure that "الأهلي" is added to the "فرقك" section.

Steps to Reproduce:

- 7. Open the Yallakora app.
- 8. Go to the "فرقك" section.
- 9. Tap on "الأهلي" to open the team page.
- 10. Scroll to the left in the header menu to select "اللاعبين".
- 11. Observe the player images.

Reported By	Hasnaa
Assignee	Mahmoud
Date	November 9, 2024
Priority	Medium
Severity	Medium

Expected Result:

- All player images should load correctly and display under "اللاعبين".

Actual Result:

- Some player images are missing, showing empty placeholders instead of the player images .

Title: Page Headline Overlaps with Plan Details After Closing "Try a Plan for Free" Page

Description:

In the MyFitnessPal app, when a user navigates to the "low impact strength" plan and taps on the "try a plan for free" button, they are taken to a new page. After attempting to close this page by tapping the "X" icon, the page headline overlaps with the plan details, making it difficult to read both the title and the content beneath.

Precondition :

The user must have the MyFitnessPal app installed and be logged in

Steps to Reproduce:

- 1. Open the MyFitnessPal app.
- 2. Tap on "Plans" to view available plans.
- 3. Select the "low impact strength" plan.
- 4. Scroll down to the bottom of the page and tap on the "try a plan for free" button.
- 5. On the newly opened page, tap the "X" icon to close this page.
- 6. Observe the page headline on the previous plan details page.

Reported By	Hasnaa
Assignee	Mahmoud
Date	November 9, 2024
Priority	Medium
Severity	Medium

Expected Result:

- The page headline and the plan details should display correctly, without any overlapping..

Actual Result:

- The page headline overlaps with the plan details, making the text difficult to read.
